RightNow Media (*Growth*)

Our church has access to an extensive, video library called RightNow Media! It's like the "Netflix of Video Bible Studies" and has a HUGE library of faith-based videos that you can access whenever and wherever you want — on your phone, iPad, computer, or at home on your TV. We're always looking for ways to help you develop and strengthen your faith. We believe that RightNow Media is a tool to serve you as you live out your faith at home, at work and in your neighborhood. (If you have not received an email invitation please submit your email address on the FBC app or on our website.)

Online Giving (*Growth, Love, Service*)

As a church, we believe that we are called to respond to the generosity of the gospel by giving extravagantly to the progress of the gospel in our community and world. Biblical generosity is not about meeting budget needs. It is about a rich and trusting relationship with a living God. We express our faith and love to Him by honoring Him as the source of everything we have. Scriptural giving is performed with regularity, from the first portion of all we are given, as a proportion of our income, cheerfully, and without pressure or manipulation. Whether you'd like to give a single gift or schedule recurring donations, you can do it all online. It's quick, easy, and secure so you can give with confidence! To give now, go to www.kingstonfbc.org. The bank asks that you please use a black or blue ink pen only when tithing with a paper check.
