Online Giving (Growth, Love, Service)

As a church, we believe that we are called to respond to the generosity of the gospel by giving extravagantly to the progress of the gospel in our community and world. Biblical generosity is not about meeting budget needs. It is about a rich and trusting relationship with a living God. We express our faith and love to Him by honoring Him as the source of everything we have. Scriptural giving is performed with regularity, from the first portion of all we are given, as a proportion of our income, cheerfully, and without pressure or manipulation. Whether you'd like to give a single gift or schedule recurring donations, you can do it all online. It's quick, easy, and secure so you can give with confidence! To give now, go to www.kingstonfbc.org. The bank asks that you please use a black or blue ink pen only when tithing with a paper check.

There will be **no** Young at Heart in June or July.
